

Fewpips Instant Account Terms.

These Fewpips Instant Account Terms (the “**Instant Terms**”) govern your participation in the trading simulations offered by **Fewpips**, (Business Registration No. **203341234**), with its registered office at **La Place Creole Building, Rodney Bay, Gros Islet, St. Lucia**.

By purchasing an Instant Account, you (the “**Client**” or “**Counterparty**”) agree to be legally bound by these Terms. Participation is prohibited if these Terms are not accepted in their entirety.

SECTION 1: EVALUATION ARCHITECTURE

Fewpips provides 1 Instant Account.

1.1 Operational Trading Guidelines

Adherence to these metrics is mandatory. Failure to comply results in immediate account forfeiture.

Metric	Fewpips Instant Account
Daily Loss Limit	3%
Max Overall Loss	5%
Profit Target	N/A
Consistency Rule	40%
Min. Trading Days	5 Days

Minimum trading days:

You must trade for 5 days before requesting a withdrawal.

1.2 The 40% Consistency Rule

To ensure professional risk management and prevent gambling on single high-impact events, the 40% Consistency Rule applies to all Funded Accounts.

- The Rule: No single trading day’s profit can exceed 40% of the total profit generated during a withdrawal cycle.
- The Enforcement: If a trader violates this rule, Fewpips reserves the right to:
 1. Deduct the inconsistent profits and reset the account; OR
 2. Invalidate the payout request for that cycle.

Fewpips Instant Account Terms.

1.3 Activity & Maintenance

Funded accounts must remain active. Seven (7) consecutive days of zero trading activity will result in the account being marked as Inactive and deactivated. A single executed trade within the 7-day window resets this timer.

1.4 Technical & Strategy Restrictions

- **Exploitation:** Utilising system flaws or data-feed latencies is strictly prohibited.
 - **Hedging:** Cross-account hedging (within Fewpips or across different firms) to manipulate risk is forbidden.
 - **Add-ons:** Any custom "Add-ons" selected at checkout modify these standard guidelines and take precedence.
 - **Expert Advisors (EAs):** Must be pre-vetted. You must be able to prove the strategy is yours or significantly unique. EA's and Bots are not permitted on Future Based CFDs.
-

SECTION 2: PROHIBITED TRADING METHODOLOGIES

The Client is strictly prohibited from employing the following toxic strategies, which undermine the integrity of the professional evaluation:

- **Latency & Arbitrage:** Exploiting price delays, slow data feeds, or gap trading.
 - **Group Coordination:** Group Trading or manipulating outcomes via connected accounts.
 - **HFT & System Abuse:** High-frequency trading or ultra-high-speed software designed to exploit the simulated environment.
 - **Unprofessional Conduct:** Tick Scalping, extreme Martingale, or aggressive Grid trading.
 - **Copy Trading:** Mimicking other traders or utilising third-party account management services.
 - **Gambling Behavior:** Excessive risk-taking or utilising **over 70% of available margin** on a single setup is categorised as gambling and is grounds for termination.
-

SECTION 3: REWARD DISBURSEMENT & KYC

3.1 Objectives

Our Customer Due Diligence (CDD) and Enhanced Due Diligence (EDD) protocols are designed to mitigate money laundering risks and ensure compliance with global sanctions.

3.2 The Manual Verification Model

Fewpips utilises a **human-to-human verification system**.

- Timeline: Verification is triggered after successful completion of all challenge phases and prior to the first reward disbursement (for Crypto users). For Debit/Credit card

Fewpips Instant Account Terms.

users, KYC must be completed **before** the initial purchase.

- **Required Documentation:** Government-issued photo ID (Passport or National ID) and, where requested, Proof of Address (Utility Bill).
- **Expiry:** Expired documents result in immediate rejection.
- **Internal Handling:** All data is processed internally by authorised Fewpips compliance personnel; no data is sold to external marketing aggregators.

3.3 Payout Eligibility

Payouts are subject to a **Post-Trade Audit**. The Company reserves the right to verify that all trades were executed in accordance with Section 2.

3.4 Withdrawal Fees

All rewards are subject to a processing and administration fee of **up to 3%** to cover third-party transaction costs.

3.5 Final Verification

If not previously completed, or if a significant change in trading behavior is detected, Fewpips may require a secondary KYC check or a video verification call before a large payout is released.

SECTION 4: REFUND & TERMINATION POLICY

4.1 Service Activation

Execution of the **first trade** constitutes a formal request for immediate service performance. At this moment, the Client waives the right to a refund under standard consumer withdrawal laws.

4.2 Refund Eligibility

- **Unactivated Accounts:** A refund may be requested within **7 days of purchase** provided no trades have been placed.
- **Breach Termination:** Accounts closed due to rule violations (Drawdown or Prohibited Practices) are not eligible for any refund.
- **Non-Activation:** Accounts not activated within 30 days of purchase will be archived.

SECTION 5: DISPUTE & CHARGEBACK MANAGEMENT

5.1 Fraudulent Disputes

Raising a False Dispute (claiming services weren't rendered when they were) will result in a permanent ban.

Fewpips Instant Account Terms.

5.2 Resolution Protocol

If a dispute is raised, the associated account is immediately paused. To reactivate an account, the Client must:

1. Withdraw the dispute with their financial institution.
 2. Provide Fewpips with official proof of withdrawal.
 3. Allow up to **45 to 60 business days** for risk management to verify the documents and reactivate the credentials.
-

SECTION 6: FINANCIAL SPECIFICATIONS.

PERFORMANCE TRANSFERS & PAYOUTS

6.1. Verification Review

Before any payout, Fewpips conducts a Post-Trade Audit. We reserve the right to invalidate results if violations are discovered retroactively.

6.2. Payout Parameters

- Minimum Reward Request: \$50 USD.
- Maximum Reward Request: \$1000 USD.
- Processing: Expect 5 to 7 business days for verification.
- Active Trade Rule: You must have no open positions when requesting or processing a payout. Doing so cancels the request.
- All rewards are subject to a processing fee of 3% to cover transaction costs.

6.3. Trading Cycles & Eligibility

The Trading Cycle is defined as the period between eligible Performance Reward requests. Each cycle commences upon the execution of the first trade within a new account or following a prior payout.

- **1-Step Model:** Eligible every five (5) business days.
- **2-Step & 3-Step Models:** Initial eligibility after twenty-one (21) days; subsequent cycles are fourteen (14) days.
- **Instant Model:** On-demand eligibility upon achieving a 5% account growth; otherwise, on a recurring fourteen (14) day cycle.

6.4 Minimum Profit Requirement

Performance Rewards are only eligible for disbursement if the account balance exceeds the initial starting balance (Net Profit). If a Trading Cycle concludes while the account is in a net loss, the cycle shall be automatically extended until such time as the account returns to a profitable state.

6.5 Structured Payout Increments & Limits

To ensure platform liquidity and stability, Fewpips utilises a structured payout model:

Fewpips Instant Account Terms.

- **Withdrawal Cap:** Each individual payout request is capped at a maximum of **\$1,000 USD**.
- **The 5-Day Active Rule:** Following a successful withdrawal request, the User must complete a minimum of **five (5) active trading days** (defined as days where at least one position is opened and closed) before becoming eligible for the next \$1,000 increment.

6.6 Tiered Profit Share

The default Profit Split is 80% to the User. Upon the successful completion of three (3) verified withdrawals, the User's Profit Split will be automatically increased to 90% for all subsequent rewards within that account model.

6.7 Account Reconciliation (Refresh Policy)

Upon the submission of a Performance Reward request, the associated trading account will be temporarily disabled to facilitate balance reconciliation and audit.

- Existing credentials will be retired.
- A new set of trading credentials will be issued to the User upon approval of the payout.
- The issuance of new credentials marks the beginning of the next Trading Cycle and the reset of the 5-day active trading requirement.

6.8 Audit and Processing Timelines

All payout requests are subject to a mandatory audit (24–48 business hours) to ensure compliance with trading rules. Following a successful audit, funds will be disbursed within 24–48 business hours. Total lead time for receipt of funds is estimated at **5–7 business days**, subject to the User's chosen payment provider and banking holidays.

Fees and Charges

6.9. Transaction Fees: All deposits and withdrawals processed through the Platform are subject to a 3% transaction fee.

6.10. Deposit Fees: Upon initiating a deposit, a 3% fee will be added to the transaction total. This fee must be covered by the User to ensure the intended net amount is credited to the trading account.

6.11. Withdrawal Fees: For all withdrawal requests, the 3% fee will be automatically deducted from the requested withdrawal amount. The net amount received by the User will be the requested amount minus the 3% processing fee.

6.12. Policy Updates: Fewpips reserves the right to adjust fee structures at its discretion. Continued use of the platform following fee updates constitutes acceptance of these terms.

Fewpips Instant Account Terms.

SECTION 7: FINAL LEGAL PROVISIONS

- **Neutral Interpretation**
Any linguistic ambiguity shall be resolved neutrally and not automatically against Fewpips as the drafting party.
- **Governing Law**
This Agreement is governed by the laws of **St. Lucia**.
- **Local Compliance**
The Client is solely responsible for ensuring their participation does not violate the local laws of their residence.
- **Modifications**
Fewpips reserves the right to adjust these metrics and terms at its discretion. Continued use of the platform following notification constitutes acceptance of updated terms.
